**ABOUT THE LEAGUE OF WOMEN VOTERS**

The League of Women Voters [LWV] was founded in 1920, just prior to the ratification of the 19th amendment to the U.S. Constitution that gave women the right to vote. Now, as then, its purpose is to provide materials to enable voters to become informed before casting their ballots.

While the LWV acts on selected governmental issues, based on positions reached after study and member agreement, it is strictly nonpartisan -- it neither supports nor opposes political parties or candidates for public office.

The LWV encourages political responsibility through informed and active participation in government. It influences public policy through education and advocacy.

The League of Women Voters of the Charlottesville Area is a civic organization financed through the dues and donations of its members and contributions from interested citizens and businesses. Membership is open to men and women who are at least 18 years of age. New members and contributors are always welcome.

*Whatever the issue, the LWV believes that government policy, programs and performances must meet these criteria:*

- *competent personnel with clear responsibilities*
- *coordination among agencies and levels of government*
- *adequate financing*
- *effective enforcement*
- *well-defined channels for citizen input and review*

**Facts for Voters 2019** is prepared for use by Fluvanna County residents. Publication of this brochure is financed through the League of Women Voters Education Fund.
