ABOUT THE LEAGUE OF WOMEN VOTERS

The League of Women Voters [LWV] was founded in 1920, just prior to the
ratification of the 19th amendment to the U.S. Constitution that gave women
the right to vote. Now, as then, its purpose is to provide materials to enable
voters to become informed before casting their ballots.

While the LWV acts on selected governmental issues, based on positions
reached after study and member agreement, it is strictly nonpartisan -- it
neither supports nor opposes political parties or candidates for public office.

The LWV encourages political responsibility through informed and active
participation in government. It influences public policy through education and
advocacy.

The League of Women Voters of the Charlottesville Area is a civic
organization financed through the dues and donations of its members and
contributions from interested citizens and businesses. Membership is open
to men and women who are at least 18 years of age. New members and
contributors are always welcome.

*Whatever the issue, the LWV believes that government policy, programs
and performances must meet these criteria:*

- competent personnel with clear responsibilities
- coordination among agencies and levels of government
- adequate financing
- effective enforcement
- well-defined channels for citizen input and review

*The League of Women Voters of the Charlottesville Area services the
counties of Greene, Albemarle, Fluvanna, Louisa, and Nelson as well as
the City of Charlottesville.*

Facts for Voters 2023 is prepared for use by
Greene County residents.

Publication of this brochure is financed through the
League of Women Voters Education Fund.
